Best sofa

'Satyr' by Foruse for ClassiCon

Part slick sofa, part ski lift — the 'Satyr' may have a funny name, but it's also very cute and its nomination received an avalanche of support.

Best dining chair

'Smile' by Liovere Altherr Molina for Andreu World

With the subtle, gentle curves of the 'Smile' chair, courtesy of Spanish seating connoisseur Andreu World, you can kiss goodbye to bad chair days.

Best drawers

'Dado' by Studio Kairos for B&B Italia

If the slick, subtle shape doesn't grab your attention, the clever use of colour and finishes should draw you in.

Best side table

'Majordome' by Cédric Ragot for Roche Bobois

To our mind, side tables should be seen but not heard. Ragot's range for Roche Bobois is just so — cute enough to catch your eye but not loud enough to take over.

Best stool

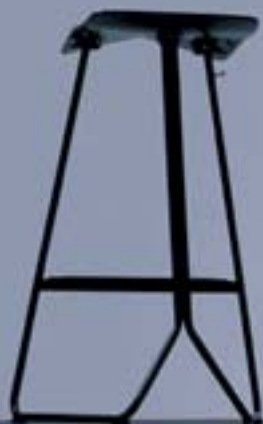

'Triton' by Clemens Weishaar
for ClassiCon

Its ergonomically contoured seat makes this the most comfortable of stools and the one that stole our hearts.

Best shelving

'Twist' by Carlo Colombo for Arflex

Who said shelving had to be square? Not Arflex – its *'Twist'* by Carlo Colombo (no relation to Joe) gives a gentle tweak to an otherwise simple system, and offers complete shelf-assurance.

'Triton' stool, €324, by Clemens Weishaar, for ClassiCon. *'Twist'* bookshelf, from €500, by Carlo Colombo, for Arflex, from Chapline Cubes painted in *'Zaffer Blue'*, *'Ceramic Blue'*, both by Sanderson, as before. *'Fincracker 3'*, *'Maraschino Mocha 2'*, *'Sunny Savannah 2'*, all by Dulux, as before
